II. Ongoing Efforts
a. Chair Updates
   i. UC Systemwide Food Access & Security and Basic Needs In-Person Meeting (11.6.19 – 11.7.19)
   ii. Basic Needs Spending Plan
      1. Plan was drafted in collaboration with AVC Deluca, VC Gorden, AVC Roth, and other members of Academic Planning and Budget
      2. Overarching goal was to ensure there was a legislative commitment to provide funding support for three years
      3. Several students from the undergraduate and graduate student governments raised concerns about basic needs efforts such as funding, scope of services for undergraduate and graduate students, financial resources—financial aid or grants, and affordability of healthcare services. Meanwhile, regularly attending students expressed concerns that student government representatives were not well informed and disrespected the work of the collective space
      4. Committee priority to support students with disabilities and hope AVC Beck will fund additional accessible vehicle
   iii. 10th Year Anniversary of the UCLA CPO Food Closet
      1. Accolades from local and state legislatures
2. Keynote addresses by campus partners and leadership
   iv. Innovation Grant tentatively approved by UCOP representatives
      1. Proposal included resources for CPO Commuter Van Service to support long-distance commuters and for CityLab research efforts
      2. 2nd round of Innovation Grant proposals could include Teaching Kitchen, collaboration with HCI

III. Assessment Efforts
    a. AY 2019-2020 UCLA Basic Needs Committee Funding Allocation Questionnaire
       i. Review the questionnaire. Fall reporting due Friday, December 6th, 2019.
